The School reserves the right to withhold course and/or exam results should any fees not be settled timeously.
2. All **discounts** apply solely to tuition fees; therefore this excludes exam fees, practical fees and mandatory activity fees.
 - i) A family bursary of **5%** of the tuition fee is awarded to the sibling / siblings of registered pupils (Siblings are two or more children having at least one parent in common (per Birth Cert.), provided they live in the same household, and provided the same person is responsible for their accounts).
 - ii) **7.5%** discount applies if tuition fees are settled in full by 31 December of the previous year.
 - iii) **4%** discount applies if no credit is applied for and tuition fees are settled in full upon commencement of studies, this being the first day of classes per the academic calendar. For the commencement of studies of new students starting after the first day of class per the academic calendar, this discount only applies up to and including the 28 February.
3. Mandatory Activities fee includes costs for all excursions including transport. There may be additional stage or subject specific excursion fees and transport costs.
